Group Exercise:

What shape(s) does the following script create? Trace out the shape as a group and be prepared to present what you found to the class. Raise your hand if you get stuck.

```
when run
repeat 4 times
do    move forward ▼ by 100 pixels
      repeat 2 times
      do    turn left ▼ by 120 degrees
            move forward ▼ by 100 pixels
      turn left ▼ by 30 degrees
```
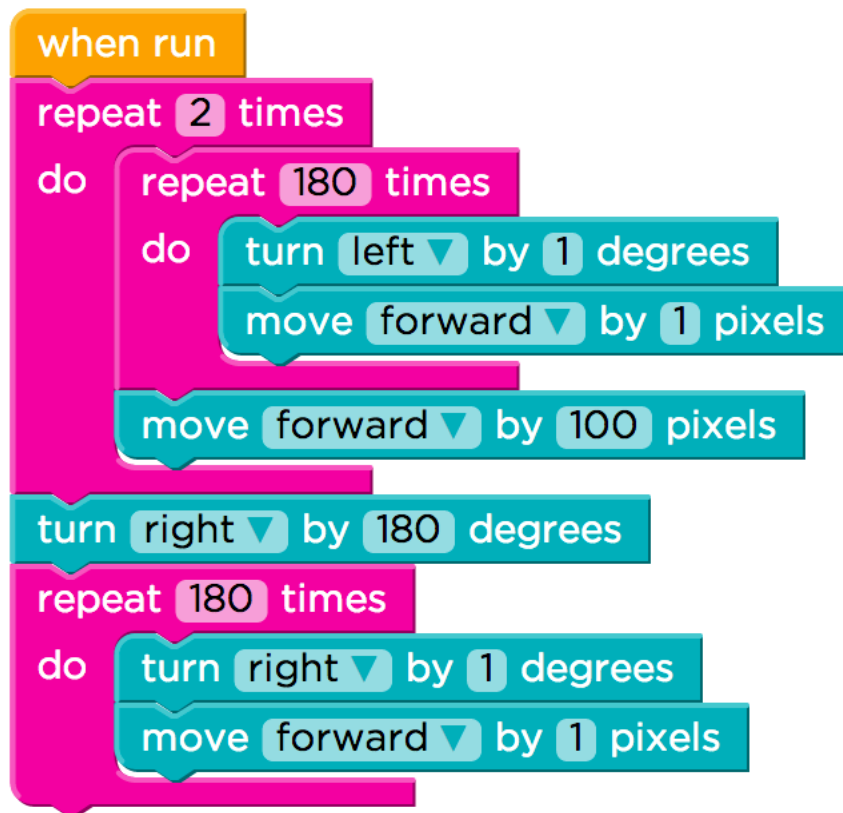

Group Exercise:

What shape(s) does the following script create? Trace out the shape as a group and be prepared to present what you found to the class. Raise your hand if you get stuck. Don't be scared about the 180 times here. Think about what it is doing with the first couple of loops. It should be easy to guess the shape it draws.

```
when run
repeat 2 times
do    repeat 180 times
      do    turn left by 1 degrees
            move forward by 1 pixels

      move forward by 100 pixels

turn right by 180 degrees
repeat 180 times
do    turn right by 1 degrees
      move forward by 1 pixels
```

Group Exercise:

What shape(s) does the following script create? Trace out the shape as a group and be prepared to present what you found to the class. Raise your hand if you get stuck.

```
when run
repeat 8 times
do   move forward ▼ by 100 pixels
     turn left ▼ by 45 degrees

turn right ▼ by 90 degrees
repeat 2 times
do   repeat 4 times
     do   move forward ▼ by 100 pixels
          turn left ▼ by 90 degrees

     move forward ▼ by 100 pixels
```
